Durable Topcoat

Professional Application

Why **FinishKote™**?

- 9 stain options with a 10-year limited warranty.
- 15 paint options with a 10-year limited warranty.
- Stain developed for Therma-Tru® doors.
- Single source supplier.
- Slabs inspected and prepped for a flawless finish.
- Fire-rated doors available.
- State-of-the-art finish shop.
- Shipped promptly and ready-to-install.

Why **Fiberglass Doors?**

Built for long-lasting energy efficiency, durability and beauty.

- Gives authentic look and feel of real wood.
- Built from a material that won't dent or rust, nor will it warp, split, crack or rot.
- Provides homes with weather resistance, as well as long-lasting curb appeal.

Why **PrismaGuard™** Stain?

- Enjoy the lasting beauty of a high-quality, durable finish backed by a 10-year limited warranty.
- Protect against scratches and color fading with enhanced durability thanks to a catalyzed topcoat.
- Reflect the natural beauty of wood on your new door with professionally applied finish.
- Choose from a full spectrum of finish colors inspired by nature to complement your home interior and exterior.

Finished for Lasting Beauty

- 1 It starts with the realistic wood grains and deep embossments of a Therma-Tru® door.
- 2 A base coat provides an even, consistent color across the surface of the door.
- 3 A wiping stain enhances the base coat to reflect the natural beauty of the wood.
- 4 For added durability, a catalyzed topcoat protects against scratches and color fading.
