

GLASS

Woodgrain Doors offers 24 glass options to further customize your door. Choose from either a Clear Single Glazed or Insulated Low E glass types. Clear Single Glazed is a single piece of tempered glass whereas Low E Insulated is coated and insulated, which allows it to reflect radiant heat, making it a more energy efficient option.

SIZES

Our doors and bifolds come in a variety of standard sizes, ranging from:

- 6'8", 7'0" and 8'0" heights
- 0'10" to 6'0" widths
- 1-1/8", 1-3/8" and 1-3/4" thicknesses

While not all sizes and panel configurations are available in all options, Woodgrain Doors can accommodate many custom orders such as replacing a panel with glass.
