Versatile appeal for your outdoor living space.

Extend the comforts of home into a relaxing, casual outdoor living space. Fiberon® HavenView™ railing features two distinct designs – CountrySide for traditional styling, or CitySide for a minimalist aluminum construction – that can be used to create a custom look for your home. Fiberon Brio™ Rhythm railing is ideal for outdoor entertaining, featuring flat, drink-friendly rails made from a sturdy, low-maintenance composite.

fiberon® HavenView™

Strong is stylish.

From its understated satin finish to its clever sub-rail reinforcement, HavenView CountrySide railing is the ideal balance of beauty and strength. The sculpted top rail imparts a touch of sophistication. Three color choices and two baluster infill options create multiple designs. The smart composite construction and protective bonded cap layer were engineered for performance and longevity.

## CountrySide

- Refined satin finish adds elegance.
- Composite construction ensures lasting durability.
- Reinforced top rail provides a strong, sturdy feel.
- Hidden hardware gives a clean look.
- Compatible with ADA handrail system, available via special order.
